**** All Pets over six months of age are required to be vaccinated for rabies according to state law if its health condition allows. If your pet has not had a rabies vaccine prior to his/her visit, or proper documentation cannot be provided, the pet must be vaccinated for rabies while here at owner's expense and the groom will be rescheduled.****

Yes, I can provide proof of my pet's current Rabies vaccine.

Due to the temperament of some patients and for the safety of the staff, some patients may require sedation to complete the grooming process. The additional cost of sedation of \$25.75.

Yes, my pet may be sedated if necessary No, my pet may not be sedated

Please list any additional services that you would like for your pet to receive today.

Please note that any pet that has excessive matting of the coat and/or requires a significantly greater amount of time to groom will be charged an additional amt removal fee.

***A Capstar will be administered at the owner's expense to any animals on which live fleas are found.**

I, the undersigned, have read and understand the above information and give permission for Mountainview Veterinary Services as well as its doctors and staff to complete the above selected procedures. I also understand that there is an innate risk when sedation is used and release Mountainview Veterinary Services of legal responsibilities.
